REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members
RA Capital Advisors LLC
San Diego, California

We have audited the accompanying financial statements of RA Capital Advisors LLC (a Delaware limited liability company), which comprise the statement of financial condition as of December 31, 2014, and the related statements of operations, changes in members' equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. RA Capital Advisors LLC's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. RA Capital Advisors, LLC is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of RA Capital Advisors, LLC's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of RA Capital Advisors LLC as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The supplementary information contained in Schedules I, II and III have been subjected to audit procedures performed in conjunction with the audit of RA Capital Advisors LLC's financial statements. The supplemental information is the responsibility of RA Capital Advisors LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

RA CAPITAL ADVISORS LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

NOTE 1 – THE COMPANY

RA Capital Advisors LLC (the “Company”) is a registered broker-dealer in securities under the Securities Exchange Act of 1934 (the “Act”) and is a member of the Financial Industry Regulatory Authority (“FINRA”). The Company’s principal business consists of consultations with respect to merger and acquisition transactions, and business and financial analysis. The majority of the Company’s revenues are derived from such consultation services. The Company was formed as a limited liability company in the state of Delaware in December 2002.

Except as otherwise provided by the Limited Liability Company Act, the debts, obligations, and liabilities of the Company, whether arising in contracts, tort or otherwise, shall be solely the debts, obligations, and liabilities of the Company, and the members of the Company shall not be obligated personally for any such debts, obligations, or liabilities of the Company solely by reason of being members of the Company.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Company’s policy is to use the accrual method of accounting and to prepare and present the financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue Recognition

The Company recognizes consultation fee revenues as services are performed, net of realized foreign currency translation, if any. For the year ended December 31, 2014, realized foreign currency losses were \$46,463. The Company recognizes specific transaction revenues upon consummation of the transaction. Deferred revenue consists of payments received from clients in advance of when services are rendered. As of December 31, 2014, deferred revenue was \$22,500. As of December 31, 2014, the Company recorded \$69,076 of unbilled receivables, which are included in accounts receivable, and are expected to be billed in the future.

Cash and Cash Equivalents

The Company considers all highly liquid investments with original maturities of less than 90 days as cash equivalents. Cash and cash equivalents include cash in readily available checking, money market and brokerage accounts.

RA CAPITAL ADVISORS LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Concentration of Credit Risk

Financial instruments, which potentially subject the Company to concentrations of credit risk, consist primarily of cash and cash equivalents and accounts receivable. The Company limits its exposure to credit loss by placing its cash and investments with high credit quality financial institutions. At December 31, 2014, cash deposits held at financial institutions in excess of Federal Deposit Insurance Corporation ("FDIC") insured amounts of \$250,000 were approximately \$375,000. Management performs periodic evaluations of the relative credit standing of the institution. The Company has not sustained any credit losses from these institutions.

A substantial portion of the consultation and success fees of the Company was received from a limited number of clients. During the year ended December 31, 2014, three such clients accounted for 71% of total consultation and success fees and 44% of the consultation and success fees related to sales in a foreign country. As of December 31, 2014, four parties accounted for 88% of accounts receivable.

Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents, accounts receivable, prepaid expenses, other assets, accounts payable and accrued liabilities approximate fair value because of the short-term nature of those instruments.

Accounts Receivable, Net

The Company provides an allowance for doubtful accounts equal to the estimated uncollectible amounts. The Company's estimate is based on historical collection experience and a review of the current status of accounts receivable. It is reasonably possible that the Company's estimate of the allowance for doubtful accounts will change. The Company's management believes the risk of loss on its accounts receivable is adequately reserved in the accompanying financial statements. As of December 31, 2014, the reserve for allowance for doubtful accounts was \$76,500. For the year ended December 31, 2014, bad debt expense was \$82,628.

Property and Equipment, Net

It is the Company's policy to capitalize property and equipment over \$500. Lesser amounts are expensed. Property and equipment are recorded at cost and depreciated over the estimated useful lives of the asset (three to five years) using the straight-line method. Leasehold improvements are depreciated over the shorter of the remaining lease term or useful life of the improvement. Maintenance costs are considered period costs and are expensed when incurred.

Deferred Rent

Rent expense from leases is recorded on a straight-line basis over the lease period. The net excess of rent expense over the actual cash paid is recorded as deferred rent.

RA CAPITAL ADVISORS LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes

The Company is classified as a partnership for income tax purposes. Accordingly, all tax attributes (items of gain, loss, credits, etc.) will be passed through to its members. Accordingly, revenues and expenses are reported on the member's tax return, and no provision for federal income taxes is included in the Company's financial statements. Although the Company is not subject to income taxes, it is liable for various state fees.

The Company reviews and evaluates tax positions within its major jurisdictions and determines whether or not there are uncertain tax positions that require financial statement recognition. The Company recognizes uncertain tax positions if it is more likely than not to be sustained upon examination by the applicable taxing authority, including the resolution of any related appeals or litigation processes, based on technical merits of the position. Tax benefits are measured as the largest amount of benefit that is greater than fifty percent likely of being realized upon ultimate settlement, which could result in the Company recording a tax liability that would reduce members' equity.

Based on its review, the Company has determined the major tax jurisdictions to be where the Company is organized and where the Company makes investments. Such jurisdictions are U.S. federal and certain foreign jurisdictions.

As of December 31, 2014, no reserves for uncertain tax positions were required to have been recorded for uncertainty in income taxes for any of the Company's open tax years. The Company is not subject to examination by U.S. federal and state tax authorities for the tax years before 2011. The Company's policy is to recognize interest and penalties on unrecognized tax benefits in income tax expense within the statement of operations. The Company did not recognize any interest and penalties for the year ended December 31, 2014. The Company is additionally not aware of any tax positions for which it is reasonably possible that the total amounts of unrecognized tax benefits will change materially within 12 months subsequent to December 31, 2014. As a result, no other income tax liability or expense has been recorded in the accompanying financial statements.

NOTE 3 – PROPERTY AND EQUIPMENT, NET

Property and equipment consisted of the following at December 31, 2014:

Furniture and fixtures	\$ 488,335
Computer hardware	79,353
Leasehold improvements	11,434
Total	579,122
Less: accumulated depreciation and amortization	(550,551)
Property and equipment, net	<u>\$ 28,571</u>

For the year ended December 31, 2014, depreciation and amortization expense was \$7,867.

RA CAPITAL ADVISORS LLC
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2014

NOTE 4 – NET CAPITAL REQUIREMENT

The Company is subject to Rule 15c3-1(a)(2)(ii) of the Securities Exchange Act of 1934, as amended, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Under this rule, equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1. The Company is also subject to the net capital requirements and is required to maintain minimum net capital of \$5,000 or 6 and 2/3% of aggregated indebtedness, whichever is higher. At December 31, 2014, the Company had net capital of \$453,173, which was \$446,890 in excess of the required minimum net capital. At December 31, 2014, the Company's ratio of aggregate indebtedness to net capital was 0.21 to 1.

NOTE 5 – COMMITMENTS

In 2014, the Company entered into a new facilities lease. The new lease is effective August 1, 2014 and expires November 30, 2017. The base rent is \$9,682 per month during the first year and increases each year during the initial term, up to \$10,580 per month during the final year. The lease is subject to additional charges for common area maintenance and other costs. Rent expense for the year ended December 31, 2014 was \$184,194.

Future minimum lease payments are as follows:

<u>Years ending December 31,</u>	
2015	\$ 117,343
2016	120,863
2017	<u>113,909</u>
Total	<u>\$ 352,115</u>

NOTE 6 – EMPLOYEE 401(k) PLAN

The Company's 401(k) Plan covers substantially all employees and allows eligible employees to contribute a percentage of their compensation, subject to annual limits. For employees choosing to participate in the 401(k) Plan, the Company will match their personal contributions at the rate of 100%, up to 5% of their compensation. For the year ended December 31, 2014, the 401(k) matching contributions made by the Company was \$41,137.

NOTE 7 – INDEMNIFICATION AGREEMENTS

The Company enters into contracts that contain a variety of indemnifications. The Company's maximum exposure under these arrangements is unknown. However, the Company has not had prior claims or losses pursuant to these contracts and expects the risk of loss to be remote.

NOTE 8 – SUBSEQUENT EVENTS

Management has evaluated subsequent events, as defined by FASB ASC 855, *Subsequent Events*, through the date that the financial statements were available to be issued on February 19, 2015.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Members
of RA Capital Advisors LLC

We have reviewed management's statements, included in the accompanying 2014 Exemption Report Rule, in which (1) RA Capital Advisors LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which RA Capital Advisors LLC claimed an exemption from 17 C.F.R. §240.15c3-3: provision (2)(i) (the "exemption provision") and (2) RA Capital Advisors LLC stated that RA Capital Advisors, LLC met the identified exemption provision throughout the most recent fiscal year without exception. RA Capital Advisors LLC's management is responsible for compliance with the exemption provision and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about RA Capital Advisors LLC's compliance with the exemption provision. Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provision set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.
